

Troopie Transport Policy - 2010

IMBAC has an 11 seater Toyota Land Cruiser Troop Carrier. This vehicle is to be used by the Managers in place of their own vehicle for the season, to carry out any necessary IMBAC business (eg; trips to Cooma or Canberra for supplies etc).

The Lodge vehicle is to be driven by a volunteer driver (Member or Guest) to bring other drivers back up from Sawpit Creek car Park Friday & Sunday afternoons after having parked their own vehicles.

It will operate in the same way on Friday & Sunday mornings to take drivers down to Sawpit Creek car park to retrieve their own vehicles.

These times are flexible around the hours of 7.00 am and 6.00 pm subject to discussion with the managers and other Members and Guests.

For this service to be successful, run smoothly and continue to operate, common sense must prevail and the following points must be observed and adhered to: -

- *On arrival at the lodge, place your name on the whiteboard provided (in foyer and/or upstairs in the bar area) if you wish to use this service.*
- *Maximum of 11 persons per trip.*
- *Drivers must be licensed - normal license.*
- *NO under 25-year-old drivers.*
- *The driver before obtaining the key from the Managers must fill out the Log sheet.*
- *Late or out of the ordinary arrivals may arrange for the use of the vehicle with at least 2 days prior notice and subject to vehicle and driver availability.*
- *NO smoking in the vehicle.*
- *ALL seat belts must be worn.*
- *Set times are 7.00am & 6.00pm only on Fridays & Sundays.*

Managers have full control over Troop carrier use. **Note:** the above schedule is subject to change throughout the season. It is a requirement of National Parks to carry chains with you at all times during the Ski Season.

Please note: This is **NOT** a taxi service where you just ring for a pick-up, nor are the managers the taxi drivers. It is to operate only at these set times and using Members & Guests as drivers.

It is **NOT** for the transport of luggage to & from Sawpit Creek car park; please use your own vehicle for this purpose. The IMBAC lodge vehicle is **NOT** to be used as a substitute for hiring chains.

We hope that this free service will benefit everyone and ease the past problems of getting to and from Sawpit Creek car park. We would also appreciate your co-operation with the smooth running of this free service.

Note: - Heavy Fines will be imposed by KNPWS rangers on those vehicles illegally parked overnight within the ski village
