Our priority booking system will continue as previous seasons. Its purpose is to give Members a maximum opportunity to secure accommodation during the ski season without adversely affecting our long-term Guest members.

From the 1 February to 22 February, Members may submit their booking requests for themselves and their immediate family, and may also nominate a maximum of two Guests per Senior Member for that booking period. The two guests to be booked include either adults or children.

After this period Members have no restrictions.

Booking requests WILL ONLY BE PROCESSED IF THE **MEMBER IS FINANCIAL..**

Send a separate cheque to the Treasurer first!

Long Term Guests

From 22nd February to 8th March, Long-term guest members (3 or more stays at IMBAC) may submit booking requests for themselves and their immediate family.

Guests

After this period, Guests both old and new have no restrictions.

As usual a booking cannot be confirmed until a 50% deposit is received. All other booking conditions continue to apply.
